FOR MATH MAJORS

Come and hear what UCSD Mathematics major alumni are currently doing with their degrees!

You will hear:

- Sara Yates, June 2000 UCSD Applied Math graduate and Actuarial Analyst at Watson Wyatt talk about what it takes to pursue a career in Actuarial Science.

- David Morrison, 1973 UCSD Mathematics graduate and from McBride Electric, discuss what he does as the Manager of Programming Services.

- Todd Clopine, 1985 Applied Math Scientific Programming graduate and Director of Computing Services, will share real world experience related to math majors and the job market.

When: Thursday, May 10, 2001
Where: AP&M 2402 (Calculus Tutor Lab)

Refreshments will be served
